RE: PCR APPEAL / Certiorari

DEC 16 2013

Tyler v. State 2007-CP-32-0907

S.C. SUPREME COURT

Dear Mr. Shearouse,

I am writing in reference to the above captioned. I was at Broad River Cor. Inst when my PCR was denied.

My appeal was filed April 18, 2013, and to date I have not heard anything regarding the appeal.

It is my understanding we have been waiting on the transcripts.

At this time I would respectfully inquire as to the disposition, if any regarding obtaining the transcripts, and I would further like to request a copy of the transcripts as soon as they are made available.

I had a voluminous PCR, exhibits, post-trial motions and oral arguments regarding the 59(e) that was filed.

I also presented a quantum of issues

and testimony in support.

At the same time I fully understand  
the Appellate Defense has a large case  
load and do not want to be overbearing.

With that in mind I'd like to say  
thank you for your time and consideration  
in this matter and look forward to  
hearing from you at your earliest convenience.

Kindest Regards

Randall S. Tyler
