Good morning ,

I had reached out several weeks ago in trying to obtain a copy of any court transcripts from my case. I attempted to file and acquire online, but was unsuccessful. I was copied in an email to an individual, asking her if she could help me acquire these? I still have not received any responses and I'm still having issues.

I am not wanting the Courts to think I am simply attempting to prolong this case from proceeding by stalling on ordering transcripts.

Could you please advise at what my next steps should be?

Thank You,
Chris Pettross, Pro Se
