Appellant

In an abundance of caution, Counsel for the Respondents' objects to the Appellant's Motion to Augment the Record on Appeal and for an Extension of Time in Which to File Appellant's Final Brief.

Appellant had every opportunity to prepare and file her timely Record on Appeal and Final Brief. Appellant is now seeking to introduce emails that have no bearing on the appeal can not be properly addressed at this stage because of their untimeliness procedurally, and only continues to blame others for her not being able to obtain an expert in this matter, which is required and is the basis for the dismissal along with the failure to state a claim.

Respondents continue to assert that the Trial Court did not err in granting the Respondents' Motion to Dismiss and dismissing the Appellant's case. The trial court did not abuse its discretion in ordering a dismissal.

Respectfully submitted,
