

The South Carolina Court of Appeals

The State, Respondent,

v.

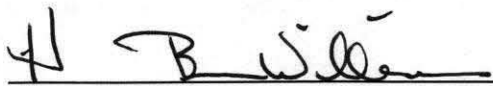

Akevius Dayquan Lindsey, Appellant.

Appellate Case No. 2025-000317

ORDER

On April 23, 2026, Appellant filed a "Motion to Reject Anders Brief and Request for Full Merits Review," seeking an order that (1) appoints new appellate counsel, (2) directs current appellate counsel to brief five named issues, or (3) accepts his pro se supplemental brief and full merits review. No return was filed.

After careful consideration, Appellant's request for an order appointing new appellate counsel or directing current appellate counsel to brief specific issues is denied. However, we accept Appellant's pro se supplemental brief as filed. The pro se brief will be considered in conjunction with the brief filed by appellate counsel pursuant to *Anders v. California*, 386 U.S. 738 (1967).
