SC Court of Appeals

I (Tyleek Johnson) am asking for a (30) day extention on my response to my appeal. I recieved the letter that I had (45) days to respond and file with the Court a Pro se brief. I have No control over when I recieve my legal mail in the facility; but I got the letter very late. Now that I am aware of ~~it~~ what I need to be doing. I am currently working on that. I'm just asking for more time please. (30) days if possible. Research takes a little more time because I don't have all the materials in this facility.
