RE: *Roger Wayne Lynch v. Angela West Einstein*  
Appellate Case No. 2026-001065  
NMRS File No. 033827/01504

Dear Ms. Kitchings:

Respondent Angela West Einstein respectfully requests a 30-day extension to file her initial brief and designation of matter in the above action. This is the Respondent's first request for an extension of these deadlines.

The request is premised on numerous work obligations, travel to attend preplanned conferences, and other deadlines in other matters.

Respondent's current deadline is July 1, 2026. If the Court grants this extension, the Respondent's initial reply brief and designation of matter would be due **July 31, 2026**.

Our check in the amount of \$50.00 will be hand delivered to the Court via separate cover. The undersigned asks that the current deadline be held in abeyance as the Court considers this request. Thank you for your consideration.

With kind regards, I remain,

Sincerely yours,

*s/ C. Mitchell Brown*
