Appellant

Appellate Case No.

2025CP2400922

MOTION TO REOPEN / REINSTATE APPEAL AND ACCEPT SIGNED NOTICES

COMES NOW the Appellant, Brian D Walker, appearing pro se, and respectfully moves this Court to reopen/reinstate the appeal and accept Appellant's corrected signed notices.

In support of this Motion, Appellant states:

Appellant timely attempted to file the required appellate documents in this matter.

Appellant has since been informed that the Court did not receive all required signed notices.

The omission was not intentional. Appellant is self-represented and made a good-faith effort to comply with all filing requirements.

Upon learning of the issue, Appellant acted promptly to correct the deficiency and has attached/submitted the signed notices requested by the Court.

Appellant respectfully asks the Court to accept the corrected signed notices and allow the appeal to continue on the merits.

This matter involves Appellant's housing rights and significant hardship. Appellant respectfully requests the opportunity to be heard and to cure this filing issue rather than lose the appeal based on an unintentional procedural deficiency. WHEREFORE, Appellant respectfully requests that this Court: A. Reopen and/or reinstate the appeal; B. Accept the attached signed notices as filed; and C. Grant any further relief the Court considers just and proper.
