Dear Clerk of Court,

I just noticed that today, Respondent Bowen requested for a thirty day extension to file initial brief and designation of matter.

Upon information and belief, I am responsible for submitting a completed record on appeal to the court and to the respondent's; however, it must include record Respondent's name in their designation of matter.

That being said Appellant will not be able to submit a completed Record on Appeal until after Respondents submit initial brief and designation of matter.

Submitted for you're
Consideration

Geraldine White
