n/k/a Metromont, LLC

Respondent Metromont Corporation n/k/a Metromont, LLC (hereinafter referred to as “Respondent”), by and through the Undersigned Counsel, hereby moves before this Court to confirm that the time for it to serve/file its initial respondent’s brief has not yet begun to run. Alternatively, Respondent respectfully requests a thirty (30) day extension, pursuant to Rule 263(b) of the South Carolina Appellate Court Rules, to serve/file its initial brief and corresponding designation of matter to be included in the record on appeal.

On April 30, 2026, Appellant, Jeffrey P. Cepin, attempted to serve and file an initial brief in this matter. The Court provided Appellant with letters on May 1, May 4, May 8, and May 29, 2026, regarding deficiencies contained in either his initial brief or proposed designation of matter. Similar to Respondent Samet Corporation, Respondent is under the belief that the deadline for their respective brief and designation of matter begins to run when all of the deficiencies are corrected by Appellant. Thus, Respondent respectfully requests this court confirm the Respondent’s time for filing and serving the initial brief has not begun, or, alternatively, provide Respondent with a thirty (30) day extension to file and serve their initial brief and designation of matter.

CONCLUSION

For the reasons stated above, Respondent respectfully requests this Court confirm the Respondent’s time for filing and serving the initial brief has not begun, or, alternatively, provide Respondent with a thirty (30) day extension to file and serve their initial brief and designation of matter.
