RE: Christopher Pride v. State; Appellate Case No.: 2013-00157 **S.C. Supreme Court**

Dear Sir:

I am writing to request my third extension for filing the Petition for Writ of Certiorari and Appendix in the above referenced case. I had prepared the Petition for filing on Friday, December 21<sup>st</sup> and prepared the Appendix for copying and binding. During the copying process, it was discovered that one sentencing sheet was omitted from the original Record on Appeal, one page was missing, and that there were additional appellate court records available that should be included in the Appendix. To avoid having to submit a supplemental Appendix, I am making this request for an extension. I anticipate that I should have the Appendix issues straightened out within the next two weeks, but due to the holiday, I am requesting a full 30 day extension.

Rutledge Johnson has been assisting me this week with compiling the Appendix, and he has agreed to my request for this extension.

Thank you for your assistance with this matter. Please contact my office with any questions.

Yours truly,

Tricia A. Blanchette  
Attorney at Law
