I send the transcript off to a typist and they have 60 days to produce the transcript, but please check in closer to that date. I think your check came in Tuesday or Wednesday so it should have been sent off that day.

Please see the email from May 30 -- We have not received a response.... As the time limit is 60 days and is quickly approaching, we are wondering about any possible delay or an estimate of when we can expect to receive the transcript.... Thank you, John and Julie Dalen
