To Whom It May Concern:

I am writing to request an update on the case mentioned in the Subject line — most specifically trying to determine if the tenant, Ms. Odom has been instructed to vacate the property at 237 Pine Shadow Drive?

I understand that Ms. Odom been squatting, rent-free since January 2026 and has consistently appealed requests by my former property manager (Mercedes Aiken) to vacate the premises.

Would you please provide information on next steps. I am currently seeking legal representation to remove Ms. Odom as she has unlawfully decided to reside in our property for several months without paying rent.

I'd appreciate your help in providing details regarding this appellate case as well as next steps in this process so that I may present appropriate contact names and initial details to my attorney.

Sincerely,

Pine Shadow Holdings, LLC
