**MOTION TO STAY AND PRESERVE
STATUS QUO PENDING APPEAL**

MOTION TO STAY AND PRESERVE STATUS QUO PENDING APPEAL

Appellant, Attia Elbadawy appearing pro se, respectfully move the Court for an Order preserving the status quo and staying actions affecting Appellants driveway: Wise Lane pending resolution of this appeal. The ownership, status, use, control, and access rights concerning Appellants driveway: Wise Lane are issues presently before the Court. Preservation of existing conditions is necessary to prevent irreparable harm and protect the Court's ability to provide meaningful appellate relief. Without a stay, Appellants face the risk of roadway alteration, interference with possession and access, removal of gates or barriers, utility installation, construction activity, trespass, and other changes that may permanently affect the property before appellate review is completed. WHEREFORE, Appellants respectfully request that the Court preserve the status quo, prohibit interference with Wise Lane during the pendency of the appeal, and grant such other relief as the Court deems just and proper.

Respectfully submitted,

Appellant,

Attia Elbadawy
