Dear Jasmine:

Thank you for your letter of May 28, 2026, identifying the deficiencies in Respondents' Motion for Attorney's Fees filed March 18, 2026. I appreciate the prompt notice and the opportunity to cure them. I enclose check number 2551 in the amount of \$50.00 for the required filing fee.

With respect to the second noted deficiency, Respondents' Motion seeks solely to recover the attorney's fee Rule 222(b), SCACR authorizes. That subsection provides, in pertinent part, that "the party shall be entitled to recover an attorney's fee in an amount which shall be set by order of the Supreme Court." By Supreme Court order dated January 17, 2018, that amount is fixed at \$2,500.00. The Motion does not seek recovery of any other costs under Rule 222(b). Therefore, I did not submit an itemized statement of variable costs.

Please let me know if the Court requires something further in this regard, and I will promptly address it. I appreciate your assistance and consideration.

Respectfully,

Andrew W. Countryman
