APPEAL FROM RICHLAND COUNTY
Court of Common Pleas

Daniel M. Coble, Circuit Judge

Appellate Case No. 2026-001167

Stacey Bryant,.....Appellant,

v.

Robert A. Smalls and Low Country Transit, LLC,.....Defendants,

Of which Robert A. Smalls is theRespondent.

MOTION FOR EXTENSION OF TIME TO SERVE AND FILE
INITIAL BRIEF AND DESIGNATION AFTER COURT RULES ON MOTION TO
AMEND NOTICE OF APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for an extension of the time to serve and file Appellant's initial brief and designation of matter in this appeal through 10 days following the issuance of this court's order on Appellant's presently pending motion to amend the notice of appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline subject of this motion is currently tomorrow, June 17, 2026.
2. Appellant has made a motion, upon which the court has not yet ruled, to amend the notice of appeal to reflect the status of an additional

respondent on whom the notice was served but who was inadvertently not named in the notice of appeal.

3. As the outcome of that motion may determine whether Low Country Transit, LLC is a respondent in this appeal, it seems prudent that the court rule on that motion before the Appellant's initial brief is submitted.
4. Appellant accordingly seeks an extension tying the deadline for the initial brief to the court's ruling on the motion to amend the notice of appeal.
5. This is the first extension sought of this deadline.
6. There is good cause for the requested extension.
7. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order granting an extension of the time to serve and file Appellant's initial brief and designation of matter in this appeal through 10 days following the issuance of this court's order on Appellant's presently pending motion to amend the notice of appeal.

Respectfully submitted,
