Re: Balfour Beatty Construction, LLC v. Low Country Case & Millwork, Inc.
(3)
Appellate Case No. 2024-000788

Dear Counsel:

The Court's letter dated May 21, 2026, set a deadline of June 22, 2026, for the appellant to serve an amended record on appeal. The Court has received the respondent's motion to amend its designation of matter, a return opposing the motion, and multiple letters from the parties.

The current deadline to supply the record is suspended. The Court will promptly issue an order establishing a new deadline and acting on the pending motion after the deadlines for filings on that motion have passed. Counsel for the appellant should promptly notify the Court if the appellant objects to suspending the deadline for the record.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Jay A. Kithap".
