

Good afternoon Denesha,

First, I want to say thank you for your patience, understanding, and all the help you have given me and my family through this process. We truly appreciate it.

I wanted to be honest and let you know that me and my family are trying our hardest to come up with the remaining \$250 needed for the appeal court to finish moving forward with this appeal. I already paid the \$50 for the emergency stay, and I am doing everything I can to complete the rest.

Right now, our challenge is that me and my girls do not receive any money until our deposits come in on the 1st and 3rd of the month when my SSI and SSDI payments arrive. We are doing our best and trying to handle everything the right way.

I wanted to respectfully ask if there is any way I could bring in the \$250 when my benefits deposit comes in so we can continue with the appeal process. This situation means a lot to me because I am trying to protect my family and make sure we have a fair chance to be heard.

Thank you again for your kindness, your time, and any consideration you can give us. We truly appreciate everything.

Sincerely,
Cornelius and Family
