

# The South Carolina Court of Appeals

Kiera Mayo, Appellant,

v.

St. James at Goose Creek, Respondent.

Appellate Case No. 2026-001264

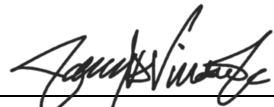

---

## ORDER

---

On June 3, 2026, Appellant filed a notice of appeal, stating she was appealing an order dated May 27, 2026, and that she received written notice of entry of the order on May 22, 2026. The accompanying proof of service states Appellant served Respondent on May 28, 2026. On June 5, 2026, the Court sent a letter to Appellant requesting that she clarify the date of the order she is appealing because a review of the public index of the court of common pleas does not reveal an order issued on May 27, 2026. On June 15, 2026, in response to this Court's June 5, 2026 letter, Appellant filed an amended notice of appeal stating she was appealing an April 14, 2026 order, and that she received written entry of the order on April 19, 2026. The amended proof of service states she served the notice of appeal on June 15, 2026.

We dismiss the appeal as untimely served. *See* Rule 203(b)(1), SCACR (providing a notice of appeal from the court of common pleas must be served within thirty days after receipt of written notice of entry of the order or judgment); *Mears v. Mears*, 287 S.C. 168, 337 S.E.2d 206 (1985) (explaining the notice of appeal is a jurisdictional requirement, and the appellate courts have no authority to extend the time in which the notice of intent to appeal must be served). Based on the disposition herein, the Court declines to rule on the pending motion to stay. The remittitur will be sent as provided by Rule 221(b) of the South Carolina Appellate Court Rules.
