Dear Clerk of Court;

Enclosed is petition and notice of appeal against judgment that was entered on June 15, 2026 by the magistrate court for preliminary hearing in which was held (150) days late without justification. This is the only original copy that I have in which is a copy of the original due to it being destroyed. I move Court to accept this copy as original copy that I am sending to the court. It would be impossible for me to know if court received this document if you do not send me back copy stamp clock and filed last petition I sent to this office was never sent back copy stamp clock and filed. I have no access to copies on Court website nor email therefore I move Court to accept this motion and forward copy to me for my records court received. Thank you and may you have a blessed and peaceful day.

Very

Truly,
