Good afternoon,

On April 10, 2026, I submitted an Application to Proceed In Forma Pauperis/Fee Waiver by email. After submitting the application, I contacted the Court and was advised that it had been received and would be provided for review.

Would you please advise the status of that application and whether any ruling has been entered regarding the requested fee waiver?

Thank you for your assistance.

Respectfully,

Valarie Harrison

Case No. 2024-CP-26-08610
