SC Court of Appeals

Motion to extend the time the brief pass the deadline in order to allow ABC Reporting time to correct the inconsistencies and errors in their transcript. As well as allow them time to provide the audio to ensure accuracy and the integrity of the court proceeding on April 30, 2025. On May 30, 2026 ABC Reporting provided me the written transcripts via email. After reviewing the transcripts. I noticed that the transcripts did not accurately or correctly report the court hearing proceeding for April 30, 2025. I would like to motion for the courts to allow me enough time to obtain a copy of the full unedited transcript and the audio recording to truthfully and accurately document the brief. There was evidence from the transcript that was omitted by error or omitted intentionally. I reached out to ABC Reporting inquiring and requesting the full report along with the audio report.
