

The South Carolina Court of Appeals

The State, Respondent,

v.

Antonio Jamari Isaac, Appellant.

Appellate Case No. 2026-001037

ORDER

On April 24, 2026, Appellant served and filed a notice of appeal from a September 2, 2025 order. Also on April 24, 2026, Appellant filed a motion to "file appeal out of time" stating Appellant only received notice of entry of the order on April 21, 2026. Respondent did not file a return refuting Appellant's notice assertion. Appellant served the notice of appeal within ten days of receiving notice of the entry of the order on appeal. Therefore, the notice of appeal was timely served and this appeal may proceed.
