

IN THE SOUTH CAROLINA COURT OF APPEALS

Kalishwar Das vs. York County

Appellate Case No. **2024-000269**

Motion Requesting Oral Argument

RECEIVED

Jun 23 2026

SC Court of Appeals

COMES NOW Appellant, Kalishwar Das, pro se, and respectfully requests that this appeal be scheduled for oral argument prior to disposition by the panel.

In support of this request, Appellant states:

1. Appellant has received notice that this matter has been submitted to a panel for consideration.
2. Appellant respectfully believes that oral argument may assist the Court in its consideration of the merits of this appeal.
3. Among the issues presented is Appellant's contention that the lower court substituted an entity as the defendant in place of the individual originally identified in the complaint, notwithstanding Appellant's position that the entity had no involvement in the underlying events giving rise to the action. Appellant believes oral argument would assist in clarifying the procedural and substantive significance of this issue and related matters contained in the record.
4. Appellant is prepared to appear and address any questions the Court may have concerning the issues presented on appeal.

WHEREFORE, Appellant respectfully requests that the Court consider scheduling this matter for oral argument and permit Appellant to participate therein prior to the issuance of an opinion.

Respectfully submitted,

-/s/- Kalishwar Das
