SC Court of Appeals

Dear Clerk:

We, respectfully request guidance regarding how an appellant may obtain a copy of the certified Record on Appeal that has been transmitted to the South Carolina Court of Appeals in the above-referenced appeal.

Specifically, we would appreciate your assistance in advising whether the Court of Appeals can provide a copy of the certified Record on Appeal, including the record index or certification identifying the materials transmitted to the Court, or whether those materials must instead be obtained from the Dorchester County Clerk of Court.

This request is made so that we may verify that the certified appellate record accurately reflects the materials transmitted to the Court and determine whether all designated materials have been included in the record on appeal.

Thank you for your time and assistance. We appreciate your guidance.

Thanks again,

Appellants,
