

Shaneeeka Stroman, Appellant,

v.

Carol B. Fischer (Banks Neumeister Attys at Law), Town of Saint Matthews, (Chief Executive Officer) Helen Carson-Peterson, and St. Matthews Police Department (Chief Michael Smalls) Defendants,

of whom Carol B Fischer, Emily Marie Bunker Fischer Bunker, St. Matthews Police Department, and Town Of Saint Matthews are the Respondents.

Appellate Case No. 2024-000195

Motion to alter or amend judgement pursuant to Rule 59(e).

According to Rule 59(e), In order for a motion to alter or amend a judgement pursuant to Rule 59(e) to be considered timely, it "shall be served not later than 10 days after receipt of written notice of the entry of the order." If this requirement is not met, the Rule 59(e) motion will be considered untimely, and the time for filing the notice of appeal will not be tolled. Consequently, the appellate has put in the motion 1 day after the order therefore this motion is done in a timely manner. Moreover, if a Rule 59(e) motion is untimely, the party filing the motion loses the benefit of having the issues raised preserved for appeal, and the trial court will not have subject matter jurisdiction to review its order or any of the points raised in the Rule 59(e) motion which doesn't apply to the appellate because her motion is timely affective.
