Court Administration:

Greetings. On 21st June, 2026, I ordered the transcripts for the above captioned appellate matter pursuant to Rule 207, SCACR. Such transcripts were for the hearings held on 5th February, 2026 and 5th March, 2026. Information provided by the Transcript Portal's automated transcript request summary indicates that Darian S. Gilstrap was the assigned court reporter for the February hearing, and the March hearing was conducted via Webex. It is my understanding that Court Administration must assign a court reporter to produce the transcript for digitally captured records. Thusly, please assign a court reporter to produce the 5th March, 2026 virtual hearing transcript.

Please make contact with me once a court reporter has been assigned in order to coordinate payment and delivery of the transcript. Additionally, if anything else is needed from me in order to effectuate the satisfactory completion of the requested transcripts, please do not hesitate to reach out. Thank you.

Kindest regards,

s/ John E. Chambers, Jr.
