II. STATEMENT OF ISSUES ON APPEAL

- 1. Did the Magistrate Court commit structural error and violate Appellant's Fifth, Sixth, and Fourteenth Amendment rights by using threats of immediate imprisonment to coerce her into silence, effectively stripping her of her right to present a defense and secure counsel?**
- 2. Did the Magistrate Court abandon its role as a detached, neutral arbiter and practice law from the bench in violation of Rule 501, Canon 3, by verbally**

contesting Appellant's on-file, uncontested *Affidavit of All Rights Reserved* without any written, verified counter-affidavit?

- 3. Did the Court of Common Pleas err by affirming Appellant's conviction for "giving false information" under S.C. Code Ann. § 16-17-725 while simultaneously accepting her Native American identity as true on the record, and did the Court display active bias by falsely accusing Appellant of saying she was a "sovereign citizen"?**
- 4. Did the Richland County Sheriff's Department, Sheriff Leon Lott, and Legal Counsel Joanna McDuffie violate Appellant's Fifth, Sixth, and Fourteenth Amendment rights to Due Process by willfully defying a court-stamped Subpoena Duces Tecum served on March 18, 2026, and withholding exculpatory body-cam footage despite multiple written demands and two in-person attempts to secure compliance?**
- 5. Did Magistrate Judge Margaret Strom Williams violate Appellant's Fifth, Sixth, and Fourteenth Amendment rights by issuing a pre-trial "High Importance" email to judicial employees on July 30, 2025, containing slanderous and libelous characterizations of Appellant as a "sovereign citizen," thereby precluding Appellant's right to an impartial hearing before subsequent judges?**
- 6. Did the trial court violate Appellant's First Amendment and S.C. Const. Art. I, § 2 rights to religious, spiritual, and cultural self-identification by validating the state's classification of Appellant's Native American heritage documentation as "false information" despite official SSA and USCIS status corrections?**

7. Did the State violate Appellant's Second, Fourth, and Fourteenth Amendment rights by conducting warrantless vehicle and purse searches, failing to administer *Miranda* warnings during a custodial arrest, and unlawfully seizing and retaining her legally carried weapon and tribal plate without documentation for nearly one year?
8. Should Appellant's conviction under S.C. Code Ann. § 16-17-725 be reversed for lack of material evidence and perjury where Deputy Bryan Hodge's false testimony regarding license suspension and lack of insurance was completely contradicted by official Georgia DMV records and insurance contracts?
9. Did the lower courts, lower clerks, and transcriptionist Natalie Dahl err and commit contempt under Rule 207, SCACR, by systematically failing to transmit the 8/11/25 trial CD to the appellate court, refusing hand-delivered appeals, failing to correct an error-filled appellate transcript, and issuing a briefing schedule on an uncertified, disputed record?

III. STATEMENT OF THE CASE

This case is a timely appeal to the South Carolina Court of Appeals (Appellate Case No. 2026-000712) seeking review of a conviction under Magistrate/Central Court Case No. 2506046515 / Ticket No. 2025A4010203072, arising from the Richland County Court of Common Pleas (Appellate Division, Case No. 2025CP4005639).

The underlying action began with a traffic stop on June 16, 2025, on Garners Ferry Road in Richland County, conducted by Deputy Sheriff Bryan Hodge and Deputy Rosa Argueta. Appellant, Dr. Cynthia Jo Goodman, a licensed medical physician, was arrested, handcuffed, searched, and her car searched prior to receiving her *Miranda* warnings. Dr. Goodman initially offered her Native American Tribal ID Card while searching her disorganized travel bags. When

she located her valid Georgia Real ID Driver's License and Georgia Medical License, Deputy Hodge refused to accept them, stating: *"it was too late, and you are going to jail."* He then confiscated her Walther CCP firearm and her tribal license plate, neither of which were properly documented on an arrest receipt.

Prior to trial, Appellant filed her **"Scan 8-11-25 NOTICE OF APPEAL Sworn OathAffidavit SC Common Pleas .pdf"** on July 7, 2025, reserving all rights in her inherent capacity. On July 30, 2025, at 1:15 PM, Magistrate Judge Margaret Strom Williams disseminated a "High Importance" email labeling Dr. Goodman a "sovereign citizen" to multiple court administrators, trial clerks, and judicial staff (Daniel Jones, Terry Leverette, Valerie Stroman, Stephanie Cameron), which severely prejudiced the upcoming trial court division (Refer to **Exhibit G / "Gmail Judge Strom Williams judicial misconduct, clerks conspiracy.PNG"**).

At the trial on August 11, 2025, Magistrate Judge Roneeka Bailey verbally stated from the bench that she and the State of South Carolina "contested" Appellant's affidavit. Judge Bailey further threatened Appellant with immediate contempt and jail time of 30 days if she spoke to defend herself. Based on the falsified testimony of Deputy Hodge—who claimed under oath that Appellant's Georgia Driver's License was suspended and that she had no insurance—Judge Bailey dismissed Count 1 (No license in possession) but found Appellant guilty on Count 2 (Giving false information).

Appellant filed her notice of appeal on August 13, 2025. Magistrate clerks Mary and Liz refused physical hand-delivery, forcing Appellant to send it via certified USPS mail on August 14, 2025, which was delivered and signed for by "Staten" on August 18, 2025 (Ref: **Exhibit I / "Scan 11-8-25 CommonPleas NOTICE Return of Appeal Filing x 8-18-25 CtrlCt_2.pdf"**).

The Central Court clerks then withheld the critical trial CD recording requested by Appellant on September 11, 2025, until Appellant served them with a written Notice of Withholding on November 6, 2025 (Ref: **Exhibit J**). Furthermore, the clerks fraudulently told Clerk Jeanette McBride and Motion Coordinator Athena Borer that Appellant had "never filed" an appeal (Ref: **Exhibit K**), attempting to trigger administrative dismissal. Appellant exposed this on November 20, 2025, by filing the signed USPS certified proof of delivery (Ref: **Exhibit L**).

Because of this clerk-level obstruction, the 8/11/25 trial CD was excluded from the magistrate's Return of Records. At the appellate hearing on February 20, 2026, Judge Thomas McGee III admitted on the record that he did not have the transcript or trial recording because the lower court failed to transmit it. Appellant was forced to physically surrender her personal copy of the trial transcript to Judge McGee during the hearing. Judge McGee acknowledged on the record that he believed Appellant was Native American and saw her validating paperwork, but failed to vacate the remaining charge. He further demonstrated extreme bias by falsely stating during the hearing that Appellant had admitted to being a "sovereign citizen" (Ref: **Transcript of Record, Case No. 2025-CP-40-05639, p. 9, Exhibit M**).

To secure this vital evidence, Appellant obtained a court-stamped **Subpoena Duces Tecum** on March 18, 2026, with an explicit compliance deadline of March 28, 2026, demanding the release of all body-worn camera footage. The Richland County Sheriff's Department (RCSD) legal counsel, Joanna McDuffie, Sheriff Leon Lott, and Jennifer Spurrier completely ignored the subpoena. Despite Appellant driving four hours from Georgia to Richland County in person twice, formally contacting Risk Management (File A Report Against A Deputy), emailing Kayla Johnson, calling/leaving voicemail requests and emails, repetitively, for all aforementioned

parties for approximately one year since the arrest occurred, and sending a final, direct warning email to Joanna McDuffie on June 12, 2026 (Ref: **Exhibit N / "REPEAT SUBPOENA DEMAND case# 2005CP4005639"**), the Sheriff's Department willfully maintains its suppression of this exculpatory footage.

On subsequent appeal, court reporter Natalie Dahl produced an inaccurate, error-filled transcript of the February 20, 2026, proceedings. Despite Appellant filing formal corrections and challenges under Rule 207, the court reporter and Court Administration ignored the filings, refused to issue a corrected transcript, and instead sent a coercive notice on June 3, 2026, demanding the filing of this brief on an uncertified, defective record. Appellant timely submits this brief under duress to preserve her rights.

IV. STANDARD OF REVIEW

In an appeal from a magistrate court criminal conviction, this Court reviews errors of law *de novo*. The trial court's findings of fact will be disturbed if they are completely unsupported by the evidence, influenced by an error of law, or if the proceeding was infected by structural constitutional violations. Violations of due process, civil rights under color of law, and the Code of Judicial Conduct constitute reversible errors of law.

V. ARGUMENT

ISSUE I: THE MAGISTRATE COURT VIOLATED APPELLANT'S CONSTITUTIONAL RIGHT TO DUE PROCESS AND A FAIR TRIAL THROUGH DIRECT JUDICIAL COERCION AND THREATS OF INCARCERATION.

A fundamental tenet of due process under the Fifth and Fourteenth Amendments to the United States Constitution and Article I, Section 3 of the South Carolina Constitution is the right

to a fair, uncoerced hearing. During the trial of August 11, 2025, the Magistrate Judge completely obliterated this right.

At exactly 3 minutes and 35 seconds of the recorded trial transcript, Judge Roneeka Bailey stated:

"If she's not quiet, I have to go get the authorities and they will come get her. She can either be quiet or I will call the authorities to have them walk her out of here... If you say another word, you are going to jail."

This explicit threat of immediate incarceration for a medical professional seeking court-appointed counsel and attempting to assert her status created an atmosphere of extreme duress. A defendant cannot be threatened into silence by the very judge who is sworn to protect her constitutional rights. This represents a "structural defect" in the trial mechanism itself. Under *Tumey v. Ohio*, 273 U.S. 510 (1927) and *In re Murchison*, 349 U.S. 133 (1955), a trial held under such coercive judicial bias violates the core definition of a fair tribunal and must be reversed. Furthermore, this conduct directly violates S.C. Rules of Judicial Conduct, Rule 501, Canon 3(B)(4), which mandates that a judge must be "patient, dignified, and courteous to litigants."

ISSUE II: GLARING FACTUAL AND LEGAL CONTRADICTIONS IN THE COURT OF COMMON PLEAS APPEAL HEARING UNDER JUDGE THOMAS MCGEE III.

The appellate review conducted by Judge Thomas William McGee III on February 20, 2026, was severely infected with judicial errors, factual hallucinations, and self-defeating logical contradictions that violate Appellant's fundamental right to a fair hearing under the Fifth, Sixth, and Fourteenth Amendments:

1. **Prejudicial Sovereign Citizen Projection (Tr. p. 9, Exhibit M):** During the hearing, Judge McGee committed a severe error of fact and demonstrated structural bias by stating to Appellant: *"You just told me you were a sovereign citizen."* (Tr. p. 9, Lines 19-20, **Exhibit M**). Appellant had actually stated the exact opposite, noting that she was defamed by the state's labeling of her as such (Tr. p. 7, Line 24, **Exhibit M**). This projection proves that the pre-trial ex parte "sovereign citizen" email chain distributed by Judge Strom Williams successfully poisoned the minds of subsequent judges, denying Appellant an impartial tribunal.
2. **Defeated Statutory Element of Misrepresentation (Tr. p. 36, Exhibit M):** Judge McGee explicitly stated on the record: *"I am assuming... if you say you are Native American, you don't have to show me anything. I believe you, okay."* (Tr. p. 36, Lines 5-8, **Exhibit M**). If the Court legally accepts and assumes Appellant's Native American identity is valid, then her presentation of Native American ID card and tribal documentation *cannot* constitute "misrepresenting identity" or "giving false information" under S.C. Code Ann. § 16-17-725. By affirming the conviction while legally accepting her identity as true, the Court committed a glaring error of law.
3. **Improper Contestation Method and Practice of Law from the Bench:** Under South Carolina law, an uncontested affidavit containing facts within the personal knowledge of the affiant, if left completely uncontested by a written, notarized counter-affidavit, must be accepted by the court as the absolute truth of those facts (Ref: **Exhibit H**, Page 7). By attempting to "verbally contest" Appellant's written affidavit from the bench without written, sworn counter-documentation, Judge Bailey practiced law and violated due process, an error Judge McGee failed to correct.

ISSUE III: THE WILFUL DEFIANCE OF THE MARCH 18, 2026 SUBPOENA DUCES TECUM AND SYSTEMATIC SUPPRESSION OF EXCULPATORY BODY-WORN CAMERA FOOTAGE BY THE RICHLAND COUNTY SHERIFF'S DEPARTMENT CONSTITUTES A STRUCTURAL BRADY VIOLATION.

Due process on appeal is completely hollow if the executive branch of government is permitted to willfully suppress exculpatory evidence. Under *Brady v. Maryland*, 373 U.S. 83 (1963), the suppression of evidence favorable to an accused upon request violates due process where the evidence is material either to guilt or to punishment, irrespective of the good faith or bad faith of the prosecution.

1. **Defiance of a Valid Court Subpoena:** To establish the truth of the traffic stop, Appellant secured a court-stamped Subpoena Duces Tecum on March 18, 2026, demanding the release of Deputy Hodge's and Deputy Argueta's body-worn camera (BWC) footage. Under South Carolina law, the Sheriff's Department was required to comply by March 28, 2026. Legal Counsel Joanna McDuffie, Sheriff Leon Lott, Risk Management, and the Evidence Department have willfully refused to produce the footage.
2. **Exhaustion of Administrative and Physical Remedies:** Dr. Goodman went to extraordinary lengths to secure this footage, driving four (4) hours from Georgia to Richland County, South Carolina, in person twice, placing numerous phone calls and sending multiple emails/faxes to Joanna McDuffie, Risk Management/Internal Affairs, Kayla Johnson and the Evidence Department, and leaving meeting requests for Sheriff Leon Lott. Despite Assistant Solicitor Stephanie Taylor formally forwarding the demand to RCSD Legal Counsel Joanna McDuffie, McDuffie completely ignored the final written

demand on June 12, 2026 (Ref: Exhibit N / "REPEAT SUBPOENA DEMAND case# 2005CP4005639").

3. **Severe Material Prejudice:** The withheld BWC is the absolute "smoking gun." It contains the physical and audio proof that Dr. Goodman offered her valid Georgia REAL ID driver's license and Georgia Medical License *three separate times* before she was aggressively yanked from her vehicle, searched, and handcuffed without *Miranda* warnings. The intentional suppression of this key trial asset constitutes a fatal *Brady* violation and civil rights deprivation under color of law, requiring immediate reversal.

ISSUE IV: THE PRE-TRIAL EMAIL BY JUDGE STROM WILLIAMS LABELING APPELLANT A "SOVEREIGN CITIZEN" PREJUDICED COURT PERSONNEL AND VIOLATED THE FIFTH, SIXTH, AND FOURTEENTH AMENDMENTS.

On July 30, 2025, at 1:15 PM, Magistrate Judge Margaret Strom Williams sent a "High Importance" email to Deputy Director J. Daniel Jones, Terry Leverette, Valerie Stroman, and Stephanie Cameron (Ref: **Exhibit G / "Gmail Judge Strom Williams judicial misconduct, clerks conspiracy.PNG"**). She wrote:

"I want to make you all aware of the attached FOIA request from a sovereign citizen... I obviously do not directly correspond with litigants, so who is the appropriate person to respond to this request..."

This ex parte administrative communication violates South Carolina Rules of Judicial Conduct, Rule 501, Canon 3(B)(7) (prohibiting ex parte communication) and Canon 3(B)(9) (duty to abstain from public/internal comments that impair fairness).

- **Pre-Trial Prejudice & Sixth Amendment Deprivation:** By disseminating the highly prejudicial, politically charged label of "sovereign citizen"—a label used by law enforcement to designate potential domestic extremist threats—Judge Strom Williams poisoned the well of the Richland County court system. This administrative conspiracy effectively stripped Dr. Goodman of her Sixth Amendment right to a fair and impartial hearing before any subsequent Richland County judge, as subsequent judges and court administrators were systematically biased by this "High Importance" warning prior to the trial date.
- **Slander and Libel Per Se:** This ex parte character assassination constitutes libel per se under S.C. Code Ann. § 16-7-150. Labeling an indigenous medical professional a domestic extremist threat without a trial, and sharing that false accusation with administrative and judicial decision-makers, constitutes official misconduct in office under S.C. Code Ann. § 8-1-80.

ISSUE V: THE TRIAL COURT VIOLATED APPELLANT'S FIRST AMENDMENT RIGHT TO RELIGIOUS, SPIRITUAL, AND CULTURAL SELF-IDENTIFICATION.

Dr. Goodman holds a validated and spiritually sincere status as a Native American, verified by official federal agencies:

1. **Exhibit A (USCIS Letter, May 23, 2023):** Confirms her status and nationality inquiries.
2. **Exhibit B (Social Security Administration, Nov 13, 2023):** Form SF-181 accepted, documenting her race and ethnicity correction as "American Indian or Alaska Native".
3. **Exhibit C (Ani'Kutani Tribal Appellation & Syllabus):** Documents her Cherokee & Lenape spiritual connection and classes.

Despite this, Deputy Hodge and the Magistrate Court labeled her tribal identification and vanity license plate "fake ID" and "fraudulent." Forcing an indigenous woman to abandon her spiritual, tribal appellation (Kikehuwet Haki Newa) under threat of criminal prosecution directly violates the First Amendment's Free Exercise Clause and S.C. Const. Art. I, § 2. The state cannot criminalize the possession of secondary, spiritually significant tribal identification when a primary, valid Real ID driver's license is present in the vehicle.

ISSUE VI: THE OFFICERS VIOLATED THE SECOND AND FOURTH AMENDMENTS THROUGH ILLEGAL WARRANTLESS SEARCH, MIRANDA DEPRIVATIONS, AND ARMED LARCENY OF APPELLANT'S FIREARM.

The stop, search, and arrest on June 16, 2025, were infected with severe constitutional violations as documented on pages 5-6 of **Exhibit H**:

1. **Fourth Amendment & Warrantless Search Violations:** Deputy Hodge and Deputy Argueta searched Appellant's purse and vehicle without consent, without a warrant, and without probable cause, in direct violation of S.C. Const. Art. I, § 10 and S.C. Code Ann. § 17-13-140.
2. **Miranda Violation:** Appellant was handcuffed, physically searched, and placed into a squad car prior to being read her constitutional rights, violating *Miranda v. Arizona*, 384 U.S. 436 (1966).
3. **Second Amendment & Armed Larceny:** South Carolina is a constitutional carry state (S.C. Act 114, effective March 7, 2024). Dr. Goodman was legally carrying a Walther CCP firearm (9 mm). Prior to exiting her vehicle, she twice informed Deputy Hodge: "*I am constitutional carry*," and verbally stated its location on her right ankle.

4. **Property Deprivation & Fee Schedule:** Deputy Hodge unlawfully seized the weapon and her tribal license plate. No seizure receipt or property record was provided at the scene, violating S.C. Code Ann. § 16-13-30 (larceny) and S.C. Const. Art. I, § 13. Because Deputy Hodge was armed, this constitutes armed robbery under S.C. Code Ann. § 16-11-330. The Richland County Sheriff's Department kept her firearm for nearly a year without cause and performed unauthorized ballistics tests on it, consuming her ammunition. Appellant submitted a formal daily fee schedule for damages related to the unlawful withholding of her firearm, which must be enforced. (See **Exhibit H**)

ISSUE VII: APPELLANT'S CONVICTION FOR "GIVING FALSE INFORMATION" WAS SECURED VIA EXPLICIT PERJURY AND A CONSPIRACY UNDER COLOR OF LAW.

Under S.C. Code Ann. § 16-17-725, the state must prove that a defendant knowingly gave false information with the intent to deceive. The trial transcript and affidavits completely disprove this.

- **Perjury regarding License Status:** Deputy Hodge testified under oath: *"The license was suspended... for not having insurance."* This was an absolute fabrication. Official Georgia DDS records dated August 18, 2025 (Ref: **Exhibit E**) explicitly state that Appellant's license class C is "Valid," with "No Citation information" and "No Withdrawal information."
- **Perjury regarding Insurance:** Deputy Hodge claimed Appellant had no insurance. In reality, Appellant was fully insured with Allstate Property and Casualty (Policy No. xxx xxx 764, Effective March 11, 2025 to Sept 11, 2025) (Ref: **Exhibit D**). She informed

Deputy Rosa Argueta *five times* from the back of the squad car that she could show proof on her phone, but Argueta refused, stating it was "too late."

- **Preclusion of Conviction under § 56-1-190:** South Carolina law explicitly mandates that a person cannot be convicted of driving without a license if they produce a valid license in court. The Magistrate dismissed Count 1 because the valid license was found inside the purse. Because the primary charge of "driving without a license" was statutorily invalid, prosecuting Count 2 for a perceived delay in producing that license is a retaliatory enforcement mechanism.
- **Civil Rights Conspiracy (18 U.S.C. §§ 241, 242, 246):** This represents a department-wide conspiracy to cover up an illegal arrest. When Dr. Goodman located her Real ID, Deputy Hodge was statutory-bound by South Carolina law to release her without arrest. Instead, Hodge and Argueta proceeded to arrest, tow, and falsify records. This conspiracy was then ratified through silent complicity by Internal Affairs (Larry Harrison), Risk Management (Christa Sheehan), and Claims Adjuster (Leroy Burgess), all of whom ignored Dr. Goodman's official complaints and affidavits.

ISSUE VIII: THE SYSTEMIC CLERK-LEVEL CONSPIRACY AND COURT REPORTING DEFICIENCIES DEMAND CONTEMPT SANCTIONS UNDER RULE 207, SCACR.

Due process on appeal requires an honest, unblemished record. The procedural history of this case reveals an egregious administrative conspiracy of record suppression at multiple levels:

1. **Intentional Magistrate Clerk Obstruction:** On August 13, 2025, at 3:58 PM, Appellant attempted to hand-deliver her Notice of Appeal at the Magistrate Court. Clerks Mary and

Liz illegally refused to accept the paperwork. When Appellant mailed it certified on August 14 (delivered August 18, signed by "Staten"), the clerks fraudulently informed Motion Coordinator Athena Borer and Clerk of Court Jeanette McBride that Appellant had "never filed" an appeal, attempting to trigger a dismissal of the case. (Ref: **Exhibit I**, **Exhibit K**, and **Exhibit L**).

2. **Withholding of Trial CD/Transcript:** The Magistrate Court systematically withheld the trial CD requested on September 11, 2025, ignoring phone calls for nearly two months until Appellant served a formal "Notice of Missing/Withheld CD" under duress on November 6, 2025 (Ref: **Exhibit J**).
3. **Failure to Transmit Records to Appellate Judge McGee:** Because of the clerks' failure, the 8/11/25 trial CD was missing from the Return of Records. At the February 20, 2026, hearing, Judge McGee admitted he did not have the transcript. Opposing counsel had no transcript. Appellant was forced to surrender her personal copy of the record to the judge.
4. **Defective 2/20/26 Transcript and Ignored Rule 207 Challenge:** The transcript provided by official reporter Natalie Dahl of the February 20, 2026, appeal was riddled with errors and critical omissions. Appellant formally challenged this under Rule 207. Court Administration and the transcriptionist ignored her challenge, refused to provide a corrected copy, and instead issued a briefing schedule on June 3, 2026, forcing Appellant to file this brief on a fraudulent, uncorrected record.

Under Rule 207(a)(6), SCACR, the willful failure of a court reporter or administrative officer to comply with transcript delivery mandates constitutes contempt. The cumulative administrative actions here represent a coordinated conspiracy to prevent judicial review and deny Appellant due process under the Fifth and Fourteenth Amendments.

ISSUE IX: THE SYSTEMIC SHERIFF'S DEPARTMENT/LEGAL COUNSEL-LEVEL CONSPIRACY OF WITHHOLDING BODY CAMERA FOOTAGE AND SUBPOENA NONCOMPLIANCE.

While initially addressed in ISSUE III, the systemic conspiracy throughout the Richland County Sheriffs' Department to cover up illegal and unlawful behavior of its deputies by having its leadership break the laws of South Carolina disclosure is evident. Furthermore, the willful and bad-faith defiance of the court-stamped Subpoena Duces Tecum, served on March 18, 2026, and ignored by Richland County Sheriff's Department (RCSD) Legal Counsel Joanna McDuffie and Sheriff Leon Lott, constitutes an egregious violation of Appellant's Fifth and Fourteenth Amendment Rights to Due Process. Despite Appellant exhausting all administrative and physical remedies—including driving four hours from Georgia to Richland County in person twice, multiple phone messages to Kayla Johnson and all other authorities associated, and a final written warning on June 12, 2026 (Exhibit N)—RCSD has willfully suppressed the exculpatory body-worn camera footage that contains the absolute proof of Appellant's innocence and Deputy Hodge's perjury. Under *Brady v. Maryland*, 373 U.S. 83 (1963), the state's intentional suppression of material, exculpatory evidence upon request violates due process, irrespective of good or bad faith. Consequently, this Court must hold the non-compliant parties in contempt, order immediate compliance, and reverse and vacate Appellant's conviction with prejudice as the only equitable remedy for this systemic civil rights obstruction.

VI. CONCLUSION AND PRECISE RELIEF REQUESTED

For the foregoing reasons, Appellant, Dr. Cynthia Jo Goodman, respectfully requests that this Court:

1. **REVERSE AND VACATE WITH PREJUDICE** the conviction for Count 2 (giving false information to a law enforcement officer) under S.C. Code Ann. § 16-17-725.
2. **DISMISS ALL CHARGES WITH PREJUDICE** due to the severe civil rights violations and pre-trial judicial bias of Judge Margaret Strom Williams, Judge Roneeka Bailey, and Judge Thomas McGee III.
3. **ORDER SANCTIONS** against Magistrate Judge Roneeka Bailey and Magistrate Judge Margaret Strom Williams under the South Carolina Code of Judicial Conduct for judicial coercion, ex parte administrative conspiracy, and practicing law from the bench.
4. **HOLD COURT REPORTER NATALIE DAHL IN CONTEMPT** under Rule 207(a)(6) for her willful failure to correct and deliver a certified, accurate transcript of the February 20, 2026, appeal.
5. **ORDER THE RICHLAND COUNTY SHERIFF'S DEPARTMENT** to return all seized properties, including her tribal license plate, and enforce Appellant's submitted daily fee schedule for the unlawful detention of her Walther CCP handgun.
6. **ISSUE A MANDATORY DIRECTIVE** placing Deputy Bryan Hodge and Deputy Rosa Argueta on the **Brady List** for documented perjury, bad-faith documentation, and structural civil rights violations under color of law.

VII. REBUTTAL AND DEFAULT CLAUSE

NOTICE TO THE RESPONDENT AND ALL INVOLVED PARTIES: This Brief is submitted under solemn oath as a formal, binding Affidavit of Truth and Fact. Pursuant to established South Carolina legal guidelines and Common Law principles, this Affidavit may only be contested, rebutted, or answered in the form of a written, point-by-point sworn Counter-Affidavit, executed

under penalty of perjury, and witnessed and sealed by an independent Notary Public who has an active oath and public bond on file with the Secretary of State.

If Respondent fails to file and serve a legally compliant point-for-point Counter-Affidavit within ten (10) days of service of this document, then all facts, claims, and allegations detailed herein shall stand as uncontested and be accepted by this Court as the absolute truth of the matter. Failure to rebut within ten (10) days constitutes a total administrative default and an agreed judgment. An invoice for financial damages will immediately be issued for enforcement per Appellant's submitted fee schedule.

Judge Strom Williams,

I can have our circuit court rep reach out to the Richland Clerk of Court's office and ask them to kindly provide a copy of your bond to the requestor, if you would like.

Thank you.

Daniel

Good afternoon Mr. Jones and Mr. Leverette,

I want to make you all aware of the attached FOIA request from a sovereign citizen. It appears she is requesting a copy of my bond information and Oath of Office. As you will see from the attachment and emails below, this was apparently sent to Jeanette McBride, who referred her to Jennifer Spurrier from the Sheriff's Department, who then referred her back to Ms. McBride. Ms. McBride's office then sent it to our Court Administrator, Stephanie Cameron. Please note that I have not been personally served with this; however, now that I have knowledge of it, I am requesting guidance as to how I should handle this situation. I obviously do not directly correspond with litigants, so who is the appropriate person to respond to this request given the fact that my Oath and bond information are on file with the Richland County Clerk of Court?

I apologize if this email is confusing. Please do not hesitate to contact me if you need further information.

With kind regards,

Margaret Strom Williams
