Re: Shawanna Odom v. Mercedes Aiken
Appellate Case No. 2026-000991

Dear Ms. Odom:

We received your notice of appeal dated June 16, 2026, appealing this Court's order of dismissal issued June 16, 2026. We are unable to accept an appeal challenging an order issued by this Court. Therefore, this Court declines to consider this filing and no further action will be taken.

Also, upon reviewing your motion to reinstate, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your filing will not be considered:

- The accompanying proof of service is not in compliance with the SCACR. Specifically, the proof of service must indicate what document is being served to the respondent. Additionally, there appears to be a typo of the date in which service was made. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

CLERK
