Re: Gregory K. Green v. State  
Appellate Case No. 2025-000800

Dear Counsel:

Upon reviewing Petitioner's *pro se* responses, the Court noticed Mr. Green indicates that three documents from a federal court case that were submitted to the PCR court are incomplete in the Appendix. Mr. Green indicates these documents are critical to his argument. Upon further review of the Appendix, it appears the three documents Mr. Green referenced (pages 1135-49 of the Appendix) contain only the odd-numbered pages of the documents. These documents are titled Report and Recommendation, Order, and Plaintiff's Memorandum in Opposition to Defendant's Renewed Motion for Summary Judgment.

Please provide a supplemental appendix containing the missing pages within ten (10) days of the date of this letter.

Very truly yours,

  
CLERK
