Good Morning,

I hope you're doing well. In reviewing the documents filed in the above case, I didn't find Respondent, U.S. Bank's Response to Appellant's Motion to Vacate Order filed. The Response was received by your office on 6/22/2026, a copy is attached. The Appellant is not timely with service of her filings, and we must depend on your event information for Appellant's filings.

Please confirm that Respondent's Response was filed and please let me know if Appellant has any other filings entered since 6/12/2026. If I need to request this information through a different format, please let me know. Thanks so much and have a great holiday, Brigitte
