Re: Dr. Robert W. Denton, et al., vs. Denmark Technical College, et al.
Appellate Case No. 2012-207846

Dear Judge Few:

On behalf of the Appellants, I would respectfully request an extension of fifteen (15) days to file the Appellant's Request for Rehearing in the above referenced matter.

The Court's unpublished opinion was filed and mailed on December 23, 2013. Our office was closed from the 24th of December until the 27th of December. I happened to come in the office on the 27th and saw the opinion. I immediately called the Court regarding an extension. I was advised that the Court would accept an extension request by way of a letter which I am doing. If this request is granted, it would extend the time of filing our Petition to January 22, 2014.

I also enclose our office check for \$25.00.

Very truly yours,

Timothy G. Quinn
