

The Supreme Court of South Carolina

Jacqueline Roberts, Petitioner,

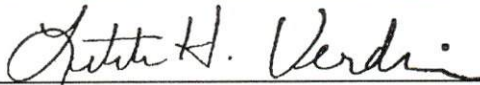

v.

Luigi Cerullo, Respondent

Appellate Case No. 2026-001408

ORDER

This matter arises from the issuance of a writ of ejectment by the Powdersville-Piedmont Summary Court. The summary court dismissed Petitioner's appeal after the appeal bond set by the court was not paid, and the court of appeals dismissed Petitioner's subsequent appeal. The writ of ejectment was executed on June 25, 2026. Petitioner has filed a petition for a writ of certiorari with this Court and now moves for an emergency stay of the eviction pending this Court's review of the court of appeals' decision. We deny the motion.
