I received the Court's letter about the bound copy and service copies.

I'm writing because I need guidance on what to do next. I am not able to pay the extra costs for copying, binding, mailing, service copies, or any filing fee that may be needed to ask for relief from those costs.

Can you please let me know the proper way to ask the Court for a waiver, modification, or more time for these costs?

I absolutely intend to follow the Court's instructions and just need to know the correct next step.

Thank you.
