SC Court of Appeals

I (Tyleek R. Johnson) #37842 Currently incarcerated in an SCDC Facility Prison Wrote to Court of Appeals for an extension on my response. If possible can I be appointed a new attorney for some assistance and aide. The brief that was sent out by my attorney (Lara M. Caudy) is not what I wanted her to present to the courts. My attorney did a lousy job of ~~rep~~ representing me. I had no assistance from her and never had any contact until I sent my letter with my concerns and what I want to present to the courts. My attorney picked something out of my trial case that I never spoke on and ignored everything I told her 'she should use in the brief. I ask the courts to take in consideration that I would prefer a new counsel that will assist me and have an extension.
