GOD Bless! Amen! Amen! 5/4/26

To the Court of Appeals and to whomever else in Respectful of the Court. I am writing because I am asking the Court to please hear my Cry and truth that I did not know exactly the grounds of what I needed to do next. I did send in a letter to explain why I was asking for the motion for extension of time to serve and motion for extension to be reinstated as of today. (2nd part)

I was under the impression that it was fine to write a letter and send it to the courts. I didn't receive the letter until after the fact. I also asked if I was fine and if I needed to do anything else and I was told I was fine and now this was the briefing stage. I am not trying to find fault or blame in anyone. I am just trying to do the right thing in the manner it is suppose to be handle.

I am still being discriminated against and watched. I/we have seen the maintenance man/men park outside and wait for us to come and go to report to the office. Once he the maintenance man see us leave or return he then goes to the office to report. He/maintenance guy →

GOO Bless Amen Amen

would stay outside our house and watch even with another maintenance guy from another property. He whomever he is cut he is at us (my family) as we were backing in to the driveway and I remember hearing my grandchildren say why is he being mean to us Nana? We don't know him why is he mean to us? So, imagine trying to Scrabble words together to try and even explain or make any of what they are seeing Everyday. Racism is what it is Call. It is very Astongishing to even know and feel it's still here. I am still blocke d out of making any type of payment because they still dont take the type of payment (money order) in the office. I even tried Flex which I did before but that is blocked too. This is where you pay the majority and then the rest is due at the end of the month. My father gave us his truck that he no longer drive so we could have transportation But, we had where our trash can was thrown over and bottles was Bust, under the truck where it was so bad ->

GOO Bless! Amen! Amen!

to if we moved the truck it would have all tires bust. Glass don't fall out of your trash can or even your neighbors trash can and the bust under your vehicle and I mean from front to back. Warning we took it as get out N****. They move in their satisfaction of a person or human being in their eyesight. ^{one} I other moved in next door to us but not by the (some) of the racist people who don't want to live by (not their kind) This new person is a token. Back in the day and even now if you can imagine there were called that. I am at my best a GOO fearing woman and myself and family has Truly experience all of this and more. I really didn't believe racism still exist like this but, here it is.

I am Praying to my Heavenly Father, Jesus Christ, the Holy Spirit Please help us. We haven't had any repairs from the pictures I sent nothing and I ask for maintenance help Before all of this. How can anyone continue to allow this injustice continue to happen. I have called, written, communicated everything. But, nothing

Covey Homes Wescott Say one thing but they do another. I have done everything and tried to communicate everything. They Covey Homes have the maintenance personnel coming in our residence unannounced and it is very disrespectful, watching us like we are criminals. But, what is going on is a crime. Harrassment, Slander, staining our character and trying to lie putting untruths and blame on a family of 7 woman and children. There is discrimination in the United States and Rights of a Tenant. How could a Company still try to destroy a family dream of having a home. A place to call home! How can that be allowed in the U.S.A. Again I am asking to Please Reinstate because it was a misunderstanding and I felt and heard that I didn't have to do anything else, we are in the briefing stage.

Thank you God Bless You and Please hear a voice
God fearing voice from a mother single mother for
her family 10 Grand babies! Amen! Amen! God Bless You All! Amen

GOO Bless! Amen! Amen! 5/4/26

Also, I have to say I do have
Pictures but, also where he gets his
or some of his supplies. It doesn't take
all day to get supplies and he
(maintenance personnel) sits for hours even
drive ways of empty apartments After
the work is done for it to be rented again,
Would you like for Someone you see
with your own eyes watching, stalking
you and your family. It's horrible, scary,
judgemental, Controlling, hate, stalking, and
very uneasy not a good feeling because you
never know what anybody would or will
do. Please listen Please It's the raw
real, terrifying truth. Who wants to live in
fear. That's not what the Constitution says
or anybody Rights! Wrong, Wronged and more!
GOO Bless! Amen! Amen!
