Good afternoon,

Robert Graham Jr. # 178039 filed an initial brief this morning along with exhibits and a motion for the court to hold at abeyance with the court assistance, he wants to know if when his copies are mailed to him, it is all possible to get an extra set of copies to serve General Counsel, because SCDC will not make copies with them being named defendants in the documents.

Please let me know if I need to send a check to cover the expenses for the extra set of copy, if so what will be the cost?

Thanks & have a great day.

Cathy Harris, POA
