

The South Carolina Court of Appeals

Attia Elbadawy, Appellant,

v.

Dorchester County and D.R. Horton, Inc., Respondents.

Appellate Case No. 2026-001187

ORDER

On May 22, 2026, Appellants filed a notice of appeal from a circuit court order that denied Appellant's motion for a temporary injunction. The order explained D.R. Horton had not been properly served and issues raised in the motion were on appeal at the time of the hearing, thus, the court lacked jurisdiction to consider the motion. On June 16, 2026, Appellants filed a motion to stay and preserve status quo pending appeal. Respondent did not file a return.

After careful consideration, the June 16, 2026 motion to stay is denied.
