Case No. 2013-001471

Dear Ms. Allen:

Please find enclosed a check for the filing fee which was inadvertently not included with the Motion for Extension of Time filed on December 16, 2013.

In addition, please note that while the deficiency letter indicated that our check for the incorrect amount was being returned, no check was included.

Please do not hesitate to contact me should there be any questions or concerns regarding the Motion.

Thank you,

MOTION FOR EXTENSION OF TIME

Counsel for Appellant, Beverly A. Robinson, received the transcript from the court reporter on November 18, 2013; therefore, the Initial Brief of Appellant is currently due to be served and filed on December 18, 2013. In addition to his ordinary hearing, mediation, and appellate obligations, Counsel is currently scheduled to attend an all-day CLE on December 18, 2013, and he finds that additional time is needed for the preparation of the Initial Brief of Appellant. Therefore, Counsel for Appellant respectfully requests the Court to extend the due date for the Initial Brief and Designation of Appellant for thirty days. If this request is granted, the Initial Brief and Designation of Appellant will be due on January 17, 2014.

Respectfully submitted,
