SC Court of Appeals

The State of South Carolina,
Respondent,

v.

Sheena Paige,
Appellant.

Appeal From the Eighth Judicial Circuit Court of Newberry County

Circuit Court Case No.: 2026-CP-36-00158

Associated Circuit Court Case No.: 2023-CP-36-00545

Municipal Court Case No.: 2023-03706

NOTICE OF APPEAL

NOTICE IS HEREBY GIVEN that the Appellant, **Sheena Paige**, appearing **pro se**, hereby appeals to the South Carolina Court of Appeals from the Final Order of the Circuit Court entered on **July 1, 2026**, and from all prior rulings that merged into that final judgment.

This appeal is taken pursuant to the South Carolina Appellate Court Rules from those portions of the Circuit Court's decision that the Appellant contends constitute reversible error.

The Appellant further respectfully advises the Court that, on **July 10, 2026**, the Appellant filed a **Motion for Clarification and Orders on Omitted Issues** from the **Motion for Reconsideration which was filed on June 25, 2026 and denied on July 1 2026** in the Circuit Court. As of the date of this Notice of Appeal, that motion submitted on July 10, 2026 remains pending and has not yet been ruled upon.

Accordingly, **out of an abundance of caution and for the purpose of preserving the Appellant's appellate rights**, this Notice of Appeal is being filed while the post-judgment

motion remains pending. The Appellant respectfully reserves the right to seek any relief that may be appropriate following the Circuit Court's disposition of the pending motion, including supplementation of the record or any other relief authorized by the South Carolina Appellate Court Rules.

The issues the Appellant intends to present on appeal include, but are not limited to:

1. Whether the Circuit Court erred in affirming the challenged convictions.
2. Whether the evidence contained in the record supports the Circuit Court's findings.
3. Whether the Appellant's constitutional right to confront a material witness was violated.
4. Whether the Circuit Court's Order does not expressly address, or indicate whether it considered, certain issues raised in the Appellant's post-judgment filings, including the Motion for Clarification and Orders on Omitted Issues.

WHEREFORE, the Appellant respectfully requests that the South Carolina Court of Appeals accept this appeal, review the record, reverse those portions of the Circuit Court's Order challenged on appeal, and grant such other and further relief as the Court deems just and proper.

Respectfully submitted

Sheena Paige
Appellant, Pro Se
