Re: Brad Tidik v. Karen Sorensen
Appellate Case No 2026-001189

Hi,

I received your 7/21/26 letter refusing to allow my Motion and Brief for Rehearing of the 7/13/26 order denying In Forma Pauperis and it is in error as to rule and law being:

1. The 7/13/26 order required me to provide the statutory basis for my Appeal by Right.
2. I filed my Motion and Brief for Rehearing that supplies the statutory basis for my Appeal by Right.
3. My sworn In Forma Pauperis affidavit filed with the Clerk of this court is evidence that denial of In Forma Pauperis does so end this appeal, and the refusal of the Clerk to allow the filing of the Motion and Brief for Rehearing for presentation of the statutory basis for my Appeal by Right to the judge does guarantee the dismissal of the appeal in violation of SCACR Rule 221(c)
4. If the error of the Clerk of this court is not corrected in filing the Motion and Brief for Rehearing then this will force additional motions to be placed before the court to correct this issue.

Please insure that my Motion and Brief for Rehearing are promptly filed with the court.
