I Quinton Smith would like to file a motion to stay on 07/22/2026 to the courts of appeal. This motion to stay is necessary because recently I filed to reopen my case and it's in the pending process .I am able to pay my bond to stay and I am also able to pay my fees that I owe to Ms.Wallace , So I am able to continue to have a place to live I recently started having seizures in this home while living here and ambulance had to come multiple times so being on the street alone and possibly having a seizure is something I rather not even TRY and image.Thats why I am in so dire need to resolve this situation that has transpired for what seem like so long. Please And Thank U....
