SC Court of Appeals

STATE OF SOUTH CAROLINA

IN THE COURT OF APPEALS

Appeal from Lexington County

Honorable Debra R. McCaslin, Circuit Court Judge

THE STATE,

RESPONDENT,

V.

BRANDON LEE CORDER,

APPELLANT

APPELLATE CASE NO. 2023-001543

MOTION TO AMEND THE DESIGNATION OF MATTER AND THE RECORD ON APPEAL

Counsel for Brandon Lee Corder respectfully requests leave to serve and file an Amended Designation of Matter and an Amended Record on Appeal in this case. In support of this motion, undersigned counsel would show this Court:

1. The Initial Brief of Appellant and Designation of Matter was filed with this Court on December 15, 2025. Undersigned counsel submitted the Designation of Matter in good faith that the Designation of Matter included all matters before the trial court referenced to within the Initial Brief of Appellant. The Record on Appeal was timely filed with this Court on July 6, 2026. The Final Briefs are due to be filed on July 27, 2026.

2. Undersigned counsel became aware that the Initial Brief of Appellant filed with this Court contained citations on pages 8 and 17 to page 356 of the September 26-27, 2023 trial transcript and

a citation on page 21 to pages 192 and 193 of the same transcript. Undersigned counsel inadvertently failed to include these trial transcript pages in the Designation of Matter filed contemporaneously with the Initial Brief of Appellant. Thus, these trial transcript pages were subsequently omitted from the Record on Appeal and therefore could not be properly cited to in the Final Brief of Appellant.

3. Inasmuch as Rule 209, SCACR, requires the Designation of Matter include all matter designated by appellant for inclusion in the Record on Appeal, undersigned counsel moves to amend the Designation Matter in this case to include the pages 192, 193, and 356 of the September 26-27, 2023 trial transcript. Undersigned Counsel submits this Amended Designation of Matter contemporaneously with this Motion. Apart from the inclusion of the previously-omitted transcript pages, this Amended Designation of Matter does not differ from the previously-filed Designation of Matter.

4. Inasmuch as Rule 210, SCACR, requires the Record on Appeal to include all matter designated by each party for inclusion in the Record on Appeal, undersigned counsel moves to amend the Record on Appeal in this case to include the transcript pages listed in the Amended Designation of Matter. Undersigned counsel submits this Amended Record on Appeal contemporaneously with this Motion. Apart from the inclusion of the previously-omitted transcript pages, this Amended Record on Appeal does not differ from the previously-filed Record on Appeal.

5. Undersigned counsel has spoken with opposing counsel, W. Joseph Maye, and opposing counsel has graciously consented to this motion and the filing of the Amended Designation of Matter and the Amended Record on Appeal.

WHEREFORE, the undersigned counsel would respectfully request that this Court: (1) grant the motion to amend the Designation of Matter and the Record on Appeal and (2) accept

the Amended Designation of Matter and the Amended Record on Appeal as filed with this motion.

Respectfully submitted,

W. Chandler Norville
Appellate Defender
