SC Court of Appeals

RE: Luther B. Marcus #218408 v. South Carolina Department of Corrections

Appellate Case Number: 2025-002574

Our File Number: 340.20837

Dear Ms. Kitchings:

This letter is to request an additional 10-day extension of time to file the Appellant's Initial Brief and Designation of Matter to be Included in Record on Appeal. These filings are currently due on July 22, 2026. I anticipated meeting this deadline; however, because of other obligations and deadlines, I need the additional time. I have had two trials in the past three weeks, one in federal court and a bench trial in state court. I was also #2 for trial this week in state court. In addition, I had another Court of Appeals' brief which was filed yesterday and two Supreme Court briefs due by the end of the week.

I am not including a filing fee because the Appellant is a state agency.

If you have any questions, please advise. Thank you for your consideration of this request.
