

STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

RECEIVED

SC Court of Appeals

Appeal from Calhoun County
Honorable Heath P. Taylor, Circuit Court Judge
Appellate Case No. 2025-002564

THE STATE,

Respondent,

vs.

SHANEEKA MONET STROMAN,

Appellant.

**MOTION TO ALLOW FILING OF
SUPPLEMENTAL RECORD ON APPEAL**

Respondent (“the State”), through its undersigned counsel, would respectfully show unto the Court as follows:

I.

Appellant Shaneeeka Monet Stroman’s criminal appeal is currently pending before this Court. On June 3, 2026, the State filed and served its Initial Brief of Respondent and Designation of Matter. In its Designation of Matter, the State properly designated a number of items for inclusion in the Record on Appeal, including: (1) both arrest warrants from Stroman’s case; (2) certain pages from the magistrate court return; (3) documents related to the September 2025 notice of appeal; (5) the December 2025 order of dismissal; (6) the December 2025 reconsideration motion and accompanying coversheet; (7) the order denying the reconsideration

motion; and (8) the notice of appeal Stroman filed in Calhoun County Court of Common Pleas in January of 2026.

II.

On July 21, 2026, Stroman, who is representing herself in a pro se capacity in this appeal, personally served the Record on Appeal upon the State via hand delivery to the South Carolina Attorney General's Office. Notably, that Record on Appeal appears to contain a portion of the contents of a Record on Appeal that was filed in another currently-pending appeal involving Stroman, and the included matter may *potentially* be the matter Stroman designated for inclusion in the appellate record for this appeal through her own Designation of Matter. Appellate Records for Stroman v. Fischer, South Carolina Appellate Court Public Index, <https://ctrack.sccourts.org/public/caseView.do?csIID=79946>. However, in the Record on Appeal in its current form, Stroman has omitted the entirety of the matter designated by the State.

III.

Because properly designated matter has been omitted from the Record on Appeal, the State believes it is necessary to file a Supplemental Record on Appeal containing the matter properly designated for inclusion in the Record on Appeal by the State. See Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209[.]"). Accordingly, the State asks this Court to permit and accept the filing of a Supplemental Record on Appeal, which is being submitted contemporaneously with the State's motion, containing a full and complete copy of all the matter properly designated for inclusion in the Record on Appeal by the State. By doing so, this Court will ensure that properly-designated matter that has previously been omitted from Stroman's pro se Record on Appeal is properly before this Court for review.

WHEREFORE, Respondent prays that this Court will allow the State to file a Supplemental Record on Appeal; accept the filing of the State's Supplemental Record on Appeal; and for such other and further relief as the Court may deem just and proper.

Respectfully submitted,

ALAN WILSON
Attorney General

Senior Assistant Deputy Attorney General
