Case# 2026-001070

Case No. 2026-CP-42-00934

Magistrate Court suppose to mail you out a court date when you request a hearing, and not just call you. I didn't receive a Notice of the court date in the mail.

Kim said she called, to schedule my hearing, but it was when we had the snow/ice storm. Cellular service was not working properly. Judge Wood should not have signed off on the Notice to vacate to issue a writ of ejectment at all with not doing legal proper procedure. Erica Estes stated to me

that she does not want my money, and she just wanted me to leave, don't nobody wants you here. Just pack up your stuff and y'all just leave. I was not allowed to pay February rent, because she had blocked me. Erica Estes had help with Judge Wood and Kim.

They wanted to ~~seize~~ it to me, to make it seem like I withhold February rent after the horrible words from her.

Served the writ of ejectment in February
