S.C. SUPREME COURT

THE STATE OF SOUTH CAROLINA
[In The Supreme Court]

APPEAL FROM LEXINGTON COUNTY

Master-In-Equity

Case No. 2022-CP-3200784

James O. Spence, Master in Equity Judge

Walton J. McLeod, Circuit Court Judge

Op. No. Pending

[Court of Appeal Case No. 2026-001149]

US Bank National Association, Palmetto Citizens Federal Credit Union, Joint Municipal Water and Sewer Commission, Lexington County Assessor's Office, Sunrun, Incorporated, Worldwide Enterprises 803LLC, Nayeli Gomez, Corey Short, Emily Short, John/Jane Doe, Respondents

v.

Tracie L. Green, Cardinal Pines Homeowners' Association, Inc, Defendants

Of which Tracie L. Green (aka Tracie L. Mitchem-Green) is the Appellant.

Appellant-Petitioner Tracie L. Green

**SUPPLEMENT TO EMERGENCY MOTION FOR TEMPORARY RELIEF:
APPROVAL OF SOUTH CAROLINA SUPPLEMENTAL NUTRITION ASSISTANCE
PROGRAM (SNAP) BENEFITS PENDING APPEAL**

This Appellant-Petitioner submits this supplement to the following emergency motion submitted to the Court on yesterday, July 24, 2026:

Pursuant to Rule 21, SCACR, this Appellant-Petitioner requests immediate approval of South Carolina Supplemental Nutrition Assistance Program (SNAP) Benefits for household (total two persons) pending appeal effective today, July 24, 2026. The Application for Default and the Default Judgement Paper: Liability of Defendants (Respondents) Preserving Statutory Right To a Jury Trial, were submitted to the Court of Appeals on June 27, 2026 for Respondents failure to appear (excluding US Bank National Association). Additionally, including but not limited to in the Motion for Certification Under Rule 204(b), SCACR submitted to the Court of Appeals on June 12, 2026, irrefutable evidence that clerk interference directly affecting case outcome has been provided. As indicated in

case number 2024-000576 (*State of South Carolina v. Richard Murdaugh*), in which this Court justly overturned/vacated the ruling in due to clerical interference, a similar ruling is expected in this case. Due to the negative effects of the fraudulent foreclosure caused by clerk interference; and as indicated in the June 27, 2026 Default Judgement Paper: Liability of Defendants (Respondents) Preserving Statutory Right To a Jury Trial, immediate approval of SNAP benefits were previously requested for the sustenance of the Appellant-Petitioner and dependent:

5. Approve South Carolina Residency for Appellant and child effective as of June 12, 2025 due to first day of physical return to state of South Carolina with inability to stay due effects of fraudulent initiation of foreclosure on March 4, 2022 and evidence of associated targeting. Immediate approval of South Carolina State Medicaid, Supplemental Nutrition Assistance Program (food benefits), and housing subsidy effective as of June 12, 2025 until 30 days after rescission of property and monetary award received by Appellant (see #3 and #4 above).

The Appellant-Petitioner has since applied for the South Carolina SNAP benefits and the application was denied due to still remaining in Florida while awaiting rescission of Appellant-Petitioner's South Carolina property. As clarified by this Court's ruling in *the State of South Carolina v. Murdaugh* case, it is presumptively prejudicial for state officials to secretly promote the advancement of certain parties during a civil trial ultimately skewing justice for the unfavored party; in such cases, this Court will consistently overrule/vacate rulings resulting from such instances. For the foregoing reason, the Appellant-Petitioner requests immediate approval of SNAP benefits.

The supplement is required due to need to ensure transparency in the attainment of South Carolina benefits for Appellant-Petitioner and dependent. Application submitted above excluded dependent due to incomplete information. Being displaced as aforementioned, said dependent has obtained Florida licensure and solely applied for Florida benefits soon after arrival. However, on August 15, 2025, said dependent submitted a request for Florida case closure without known use of any benefits:

Dear Florida Agency for Health Administration (including Florida Medicaid): I desire to close all public assistance programs (including Florida Medicaid—ID [redacted]). I apologize for any inconvenience this may cause.

According to the United States Postal Service, the notice was delivered. Thereby, if said dependent's Florida case remains open, an investigation is requested as a similar occurrence happened in New York in which notices were received regarding appointments/use of the benefits never scheduled/used by Appellant-Petitioner and/or dependent.

Respectfully submitted,
