Dear Clerk of the South Carolina Court of Appeals,

We, the Appellants, Attia Elbadawy and Lynne Chatlos, respectfully request that the docket in Appellate Case No. 2025-001299 be reviewed and corrected as soon as possible.

There are two matters that continue to be inaccurate despite our repeated submissions and supporting documentation.

First, regarding the stay matter, the Court issued two deficiency notices. Motion To Stay.

We have responded to those notices on three separate occasions. We have provided proof that the required payment was made, including the money order serial number and documentation confirming that the payment was received. Despite this evidence, the docket has not been updated to reflect that the deficiency has been resolved. We respectfully request that this matter be reviewed immediately and that the docket be corrected to accurately reflect the record.

Second, our Motion for Reconsideration was timely filed. Money Order proof has not been docketed ,

Because these matters directly affect the appellate record and the status of this appeal, we respectfully request that the Court review the file, update the docket to accurately reflect the filings that have been received, and advise us if any additional information is needed.

Thank you for your prompt attention to this matter.

Respectfully submitted,

Attia Elbadawy, Appellant

Lynne Chatlos, Appellant
