Good afternoon,

In accordance with this Court's letter dated July 15, 2026, attached please find the supplemental appendix containing Applicant's PCR Exhibit 3. I will mail one paper copy to the Court.

Because the exhibit contains two short videos, also attached is a motion to have Applicant's Exhibit 3 transported to the Court.

Thank you for your attention to this matter. Please let me know if you have any questions or require additional information.

Best,
Charles
