SC Court of Appeals

APPEAL FROM CALHOUN COUNTY
Court of Common Pleas Heath

Taylor, Circuit Court Judge

Case No. 2025-002564

The State
Respondent,

v.

Shaneeeka Stroman, Appellant.

Motion in Opposition to Supplement the Record

Adding the material prejudices Appellants case. None of this information was submitted during the time of submission. This is new information and late information. The Respondent has had more than enough time to include this information. Appellate has already requested to add the new persons of interest. The parties that purchased the home with the cloudy title are being requested to be added to appellate Stroman's case. Carol Fischer was divorced before her death and the only person on her title. So how did Timothy Fischer sale this home? The State submitting this supplemental appeal will interfere with my request to add the new purchasers. Some of the information is also misleading and a little too late because the damage has already been done. They ultimately had any reason to incoserate me when in all actuality they didn't have a reason to do what they have done. Also , some of the suponed officers didn't appear on behalf of the State.(See S.C. Code 15-67-210) Presumption of possession; when occupation deemed under legal title and (See S.C. Code 15-67-230) What constitutes adverse possession under written instrument or court decree or judgment. Also, (See S.C. Code 15-67-410) Action may be had against person wrongfully disseizing. Furthermore, (See S.C. Code 15-67-460) Putting party ousted in possession. Respectfully, Appellate Stroman asks that you deny the States request to submit the supplemental Record on Appeal. The State has violated (S.C.Code 15-67-610) Duty of magistrate in case of trespass. In this

particular arrest a notice was not served by Calhoun County Sheriff's Department. Appellate simply thinks that there's nothing to submit to supplement when clearly a right has been denied and criminally used against an innocent individual. Respectfully, can you please deny the States request to allow filing of supplemental record on appeal?
