Attorney for Appellants

Appellant hereby moves pursuant to Rule 263(b), SCACR, for an order allowing the filing out of time and for a 30-day extension of the time in which to serve and file the Appellant's Initial Brief and Designation of Matter to be included on the Record on Appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellant's counsel was not counsel during the Circuit Court proceedings and needs additional time to review the trial transcript of this matter and prepare all issues concerning this appeal for inclusion in the initial brief. Appellant counsel's tardy filing of this motion is the result of failing to calendar this deadline when the previous motion for extension was filed during his protected vacation time last month. The failure to calendar will not happen again.
2. Appellant's Initial Brief and Designation of Matter were presently due Friday, July 10, 2026. If the request is granted, Appellant's Initial Brief and Designation of Matter to be included in the Record on Appeal will be due on August 10, 2026.
3. This is the second extension Appellant has requested in this appeal.
4. Respondent has consented to this proposed extension of time to serve the Initial Brief and Designation of Matter to be included in the Record on Appeal out of time.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order allowing leave to file out of time and extending the time in which to serve and file the Appellant's Initial Brief and Designation of Matter to be included in the Record on Appeal by 30 days, to August 10, 2026.

July 20, 2026

Respectfully submitted,

s/ Taylor Smith
